- **Al Qaeda, the Islamic State, and the global Jihadist movement : what everyone needs to know / Daniel Byman.**

*New York : Oxford University Press, 2015*  
*xii, 284 pages : 21 cm.*

Within a year of 9/11, the core of Al Qaeda had been chased out of Afghanistan and into a variety of refuges across the Muslim world. Splinter groups and franchised offshoots were active in the 2000s in countries like Pakistan, Iraq, and Yemen, but by early 2011, after more than a decade of relentless counterterrorism efforts by the United States and other Western military and intelligence services, most felt that Al Qaeda's moment had passed.

- **Clash of fleets : naval battles of the Great War, 1914-18 / Vincent P. O'Hara and Leonard R. Heinz.**

*Annapolis: Naval Institute Press, 2017.*  
*ix, 372 pages : illustrations, maps : 25 cm.*

The role of surface combat in the Great War is analyzed and these actions are compared to major naval wars before and after. In addition to providing detailed descriptions of actions in their historical perspectives, O'Hara and Heinz advance several themes, including the notion that World War I was a war of navies as much as a war of armies. They explain that surface combat had a major impact on all aspects of the naval war and on the course of the war in general.
